Team building games

ZORBING

Zorbing involves rolling down a hill inside a large, inflatable, transparent orb. Participants can choose between harness-based (where you're strapped inside the ball) or hydrozorbing (with a bit of water inside the orb for a slippery ride).

COMBAT ARCHERY

Combat archery typically involves using bows and specially designed foam-tipped arrows for a safe yet exciting combat-style game. It combines elements of archery, dodgeball, and paintball, providing an adrenaline-filled activity suitable for groups.
